Birds and Exotic Pet Wellness Center

If you have:

- a companion bird
- small mammal/pocket pet (such as a ferret, rabbit, guinea pig, mouse and rat)
- reptiles and Amphibians (such as snakes, tortoises, turtles, dragons, fish, frogs and toads)

You deserve knowledgeable care and thoughtful information to help you keep your pet happy and healthy.

We invite you to visit our office to meet your pet's grooming, behavior, checkups, medical care and or surgical needs. We have been doing exotics exclusively for over 25 years.

Our Doctors:

Dr. Susan Orosz, board certified in avian medicine
